4TH ANNUAL AFRICAN  
**PRODUCED WATER SOCIETY**  
OILFIELD SYMPOSIUM & EXHIBITION

It is my pleasure to welcome you to the **4th Annual African Produced Water Society Oilfield Symposium & Exhibition**, taking place from 13–15 July 2026 at Eko Hotel, Lagos, Nigeria.

As produced water management continues to be a critical operational and environmental priority for Africa’s oil and gas industry, this symposium provides an important platform for industry leaders, technical experts, and solution providers to exchange insights, share practical experiences, and explore innovative technologies.

Through focused discussions, technical presentations, and a dedicated exhibition, this event aims to support more efficient, sustainable, and cost-effective produced water solutions across African oilfield operations.

I look forward to your active participation and wish you a productive and rewarding symposium.

## OUR TRACK RECORD IN NIGERIA

## JOIN US BECOME A MEMBER!

Register your company and join a distinguished network of industry leaders shaping the future of Produced Water around the Globe.

For more information, contact us here: [rghimire@producedwatersociety.com](mailto:rghimire@producedwatersociety.com)

## TOPICS

## SUBMIT YOUR ABSTRACT

### Treatment Technologies & Operational Solutions

- Innovations in produced water treatment systems (primary, secondary, tertiary)
- Membrane filtration, flotation, and biological treatment advancements.
- Modular and compact solutions for offshore/onshore applications.
- Separation technologies: hydrocyclones, coalescers, and novel materials.
- Chemical treatment developments: corrosion/scale inhibitors and eco-friendly alternatives.
- Operational case studies and field applications from pilot to full-scale deployment.

### Sustainability, Reuse & Environmental Strategy

- Water reuse strategies, reinjection, and zero liquid discharge (ZLD)
- Desalination and brine management in oilfield operations
- ESG integration: water stewardship and environmental impact reporting
- Regulatory compliance, HSE practices, and environmental monitoring
- Circular water economy and sustainable infrastructure in oil & gas

### Digitalization, Innovation & Future Outlook

- AI, IoT, and digital twins in produced water management
- Predictive analytics for performance and maintenance optimization
- Integration of smart systems for real-time water quality control
- Energy-water nexus and process efficiency
- Future trends in industrial water technologies and smart oilfields

ABSTRACT SUBMISSION DEADLINE:

**MAY 15, 2026**

SUBMIT YOUR ABSTRACT AT:

[shikha@producedwatersociety.com](mailto:shikha@producedwatersociety.com)

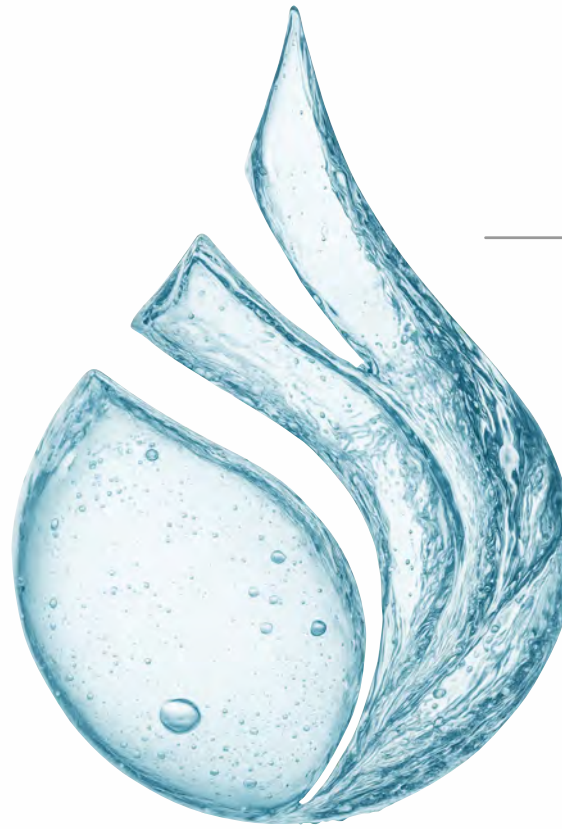

## ABSTRACT SUBMISSION GUIDELINES

- Abstract should have clear title of the presentation.
- Abstract should be within 500 words with clear objective and conclusion of the presentation.
- Photo of the presenter and brief bio in 150 words and logo of the company.
- Author details including name, job title, email and contact details.
- Presentations for the conference will be shortlisted from the abstracts submitted to the conference committee.

## Cost Control & Optimization

Holystic system approach to optimize operational and capital of Produced Water systems.

## ZERO EMISSION

What are the global best practices to help operators of Produced Water handling systems to lower energy intensity & carbon emission

## WATER POSITIVE

How latest technologies are transforming Produced Water from a burden into a valuable resource which support the movement forward becoming water positive

# 4TH ANNUAL AFRICAN PRODUCED WATER SOCIETY OILFIELD SYMPOSIUM & EXHIBITION

## WHY YOU SHOULD ATTEND?

Understand where the Industry is headed

Market and showcase brand and solutions to direct users and buyers at an exclusive and targeted industry conference

Have the chance to be involved in governmental / societal and industry collaborations

Standout from peers through being selected attending / Exhibiting organisations

Meet, greet and push forward your business agenda with peers, end users and industry supporters

## 4TH ANNUAL AFRICAN PRODUCED WATER SOCIETY OILFIELD SYMPOSIUM & EXHIBITION

# WHO SHOULD ATTEND?

The **4th Annual African Produced Water Oilfield Symposium & Exhibition** is designed for professionals involved in produced water management, treatment, regulation, and sustainability across the oil and gas value chain.

### THE EVENT IS IDEAL FOR:

- Oil & Gas Operators (Onshore & Offshore)
- Produced Water & Water Management Specialists
- Production, Operations & Facilities Engineers
- Reservoir, Process & Chemical Engineers
- HSE, Environmental & Sustainability Professionals
- Water Treatment Technology Providers & OEMs
- Produced Water Reuse & Zero Liquid Discharge Experts
- Digitalization, Monitoring & Automation Specialists
- EPC Contractors & Project Developers
- Consultants & Technical Service Providers
- Regulators, Government Authorities & Policy Makers
- Research Institutions, Academics & Industry Associations
- Investors & Project Financiers involved in Water & Energy
- Asset Integrity & Corrosion Engineers

## DIAMOND SPONSOR

USD 39,995

- ⚙ 25% discount on delegate registration
- ⚙ 6m x 3m exhibition space at a prime location
- ⚙ 8 VIP passes
- ⚙ 8 complimentary delegate passes
- ⚙ Full page 4 color advert
- ⚙ Logo on signage
- ⚙ Press kit release
- ⚙ Web banners / Banner placement at the venue
- ⚙ Honored with a plaque by the conference patron
- ⚙ Company logo included in conference proceedings

## PLATINUM SPONSOR

USD 27,995

- ⚙ 20% discount on delegate registration
- ⚙ 6m x 3m exhibition space at a prime location
- ⚙ 6 VIP passes
- ⚙ 6 complimentary delegate passes
- ⚙ Full page 4 color advert
- ⚙ Logo on signage
- ⚙ Press kit release
- ⚙ Web banners / Banner placement at the venue
- ⚙ Honored with a plaque by the conference patron
- ⚙ Company logo included in conference proceedings

## GOLD SPONSOR

USD 17,995

- ⚙️ 15% discount on delegate registration
- ⚙️ 6m x 3m exhibition space at a prime location
- ⚙️ 4 VIP passes
- ⚙️ 4 complimentary delegate passes
- ⚙️ Full page 4 color advert
- ⚙️ Logo on signage
- ⚙️ Press kit release
- ⚙️ Web banners / Banner placement at the venue
- ⚙️ Honored with a plaque by the conference patron
- ⚙️ Company logo included in conference proceedings

## SILVER SPONSOR

USD 9,995

- ⚙️ 10% discount on delegate registration
- ⚙️ 3m x 3m exhibition space at a prime location
- ⚙️ 2 VIP passes
- ⚙️ 2 complimentary delegate passes
- ⚙️ Full page 4 color advert
- ⚙️ Logo on signage
- ⚙️ Press kit release
- ⚙️ Web banners / Banner placement at the venue
- ⚙️ Honored with a plaque by the conference patron
- ⚙️ Company logo included in conference proceedings

## GALA DINNER SPONSOR 19,995 USD

**Pen Sponsor**  
**\$4,995 USD**

Put your brand in the hands of every attendee with your logo on the event pens, a constant reminder of your support.

**Notebook Sponsor**  
**\$5,995 USD**

Feature your logo on the official event notebook, a valuable tool attendees will use and keep long after the event.

**Conference Bag Sponsor**  
**\$5,995 USD**

Your logo prominently displayed on every conference bag, ensuring visibility and brand recognition throughout the event.

**Water Bottle Sponsor**  
**\$5,995 USD**

Quench the thirst of our attendees while promoting your brand with your logo on reusable water bottles distributed at the venue.

**Speaker Gifts Sponsor**  
**\$8,995 USD**

Honor our esteemed speakers with memorable gifts, all bearing your logo as a token of appreciation for their contribution.

**Coffee Break Sponsor**  
**\$11,995 USD**

Showcase your brand during the most anticipated breaks with your logo featured at the coffee stations throughout the event.

**Lanyard Sponsor**  
**\$18,000 USD**

Ensure continuous brand exposure as your logo is featured on the lanyards worn by every attendee throughout the event.
