

**PRODUCED WATER SOCIETY
UNITED KINGDOM EDITION**

Engineering the Transition/Expansion: Produced Water in the North Sea's Energy Future

Secure Your Spot at United Kingdom's Premier Water Event

16th - 17th, JUNE 2026
www.producedwatersociety.com

Venue- Ardoe House Hotel and Spa
Aberdeen, Scotland, UK

INVITATION TO ATTEND

Technical Chairperson

Steve Coffee

President

We are pleased to invite you to participate in the **Produced Water Society United Kingdom Edition**, a premier platform dedicated to advancing produced water management in the oil & gas industry.

Under the theme “**Engineering the Transition/Expansion: Produced Water in the North Sea’s Energy Future**” this event will bring together industry leaders, technical experts, and innovators to explore the latest developments, technologies, and strategies shaping the future of water management.

Hosted by the **Produced Water Society**, the symposium will focus on sustainability, operational efficiency, and regulatory excellence providing valuable insights into water treatment, reuse solutions, and environmental best practices.

Join us in the United Kingdom to connect with key stakeholders, exchange knowledge, and discover innovative solutions in a dynamic and collaborative environment.

We look forward to welcoming you to this impactful industry gathering.

**PRODUCED WATER SOCIETY
UNITED KINGDOM EDITION**

Organized by

TECHNICAL COMMITTEE

Technical Chairperson

Steve Coffee
President

Syed A. Ahmed
Lead Process Engineer

Dr Blessing Enakimio
CEO

Christos Charisiadis
Innovation Leader

Lucio Kiko Sanchez
Lead Project Chemist

Stephen Heath
Managing Director

Collins Elechi
COO

Andrew Walker
CCO

David King
Business Development
Manager

Ming Yang
Environmental Consultancy
Services Manager

Colin Smith
Production Chemist

Eric Mackay
Professor

Matt Hastings
Process Technical Authority

Mike Killeen
CEO

Steven Tulloch
Senior Process Engineer

ABOUT THE EVENT

The Produced Water Society United Kingdom Edition provides a focussed platform to address key challenges in produced water management through innovation and practical solutions. Featuring expert-led sessions and a specialized exhibition, the event highlights advanced treatment technologies, water reuse strategies, and efficient system design to support more sustainable and cost-effective operations.

What To Expect?

Cutting-Edge Technologies:

Discover the latest advancements in water treatment, reuse, and recycling tailored for unconventional operations.

Strategic Networking:

Connect with decision-makers from UK and North Sea operators, service companies, and regulatory bodies.

Expert Insights:

Hear from industry pioneers and technical authorities sharing real-world case studies and lessons learned management in the region.

Regulatory Dialogue:

Engage directly with policymakers shaping the future of water management in the region.

WHY PRODUCED WATER MATTERS NOW ?

As the UK energy sector evolves, produced water management has become a critical priority for operators aiming to balance performance, cost, and environmental responsibility.

What's at Stake?

- Increasing operational and disposal costs in mature North Sea assets are driving the need for more efficient and cost-effective water management solutions

Economics

- Tightening UK and North Sea environmental regulations on discharge and water handling are reshaping how operators manage produced water

Regulation

- Strong ESG expectations and sustainability commitments are placing produced water management at the center of industry accountability

Reputation

THE CHALLENGE

- Aging North Sea assets generating increasing water volumes
- Rising costs of treatment, handling, and disposal
- Stricter environmental and discharge regulations

THE INDUSTRY SHIFT

The UK is moving toward more efficient and sustainable water strategies focussing on treatment optimization, reuse, and reduced environmental impact.

Operators are adopting smarter technologies and integrated solutions to improve performance while meeting regulatory demands.

The Opportunity

- Enhance operational efficiency and cost control
- Implement advanced treatment and reuse solutions
- Support ESG and sustainability goals
- Drive innovation across mature oil & gas assets

WHO SHOULD ATTEND?

Designed for the Entire Produced Water Community, the Produced Water Society United Kingdom Edition brings together all stakeholders involved in the life cycle of produced water from the wellhead to treatment and reuse.

OPERATORS & INDUSTRY LEADERS

- Oil & Gas Operators
- Reservoir, Production & Process Engineers
- Operations & Facilities Managers
- Refinery Managers
- CEOs & Senior Executives

RESEARCH & ACADEMIA

- Researchers & Scientists
- Universities & Academic Institutions
- R&D Centers & Innovation Labs
- Industry Associations
- Training & Capacity Building Institutions

TECHNOLOGY & SOLUTION PROVIDERS

- Water Treatment Technology Providers
- Filtration, Membrane & Hydrocyclone Systems
- Separation & Produced Water Treatment Solutions
- Monitoring & Characterization Solution Providers
- Equipment & Technology Developers

GOVERNMENT & REGULATORY

- Ministries & Government Authorities
- Municipalities & Water Authorities
- Environmental & Regulatory Bodies
- Policy Makers & Energy Authorities
- In-Country Value (ICV) Leaders

ENGINEERING & SERVICES

- EPC Contractors & Project Developers
- Oilfield Service Providers
- Produced Water Management Consultants
- Technology Implementation Specialists
- Infrastructure & Pipeline Service Providers

BUSINESS & SUPPORT FUNCTIONS

- Business Development Managers
- Marketing & Commercial Leaders
- HSE Specialists & Managers
- Environmental & Sustainability Experts
- Strategy & Investment Professionals

WHY YOU SHOULD ATTEND?

Join the Produced Water Society United Kingdom Edition and be part of the conversations shaping the future of water management in the oil & gas industry. Engage with industry leaders, technical experts, and innovators as they share insights, showcase solutions, and explore new approaches to sustainability, efficiency, and operational excellence across the region.

Discover cutting-edge technologies transforming produced water management.

Gain practical insights to improve efficiency and reduce costs.

Learn strategies for sustainable water reuse.

Stay ahead of regulatory and industry developments.

Connect with decision makers and industry leaders.

WHY YOU SHOULD EXHIBIT?

Secure Your Place

Position your company at the forefront of Produce Water innovation

Raise Your Profile

Build brand visibility and thought leadership in the Northern region

Meet the Decision Maker

Gain direct access to buyers, users and specifiers

Know Your Market

Gather real-time market insights

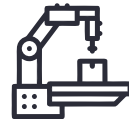

Grow Your Network

Establish relationship with new potential client

Show What's Possible

Showcase your technologies to decision-makers

CALL FOR ABSTRACT

Treatment Technologies & Operational Solutions

- Next-generation offshore water treatment systems for space-constrained platforms
- Hybrid treatment approaches combining mechanical, chemical, and membrane processes
- Optimization of produced water handling and separation efficiency
- Innovations in low-energy and low-footprint treatment technologies
- Digital monitoring and predictive maintenance for system reliability
- Case studies on retrofitting and upgrading existing facilities

Sustainability, Reuse & Environmental Strategy

- Strategies to reduce environmental discharge impact in offshore operations
- Water reuse integration within oil & gas and adjacent industries
- Supporting net-zero and decarbonization goals through water management
- Circular water solutions and resource recovery opportunities
- ESG-driven approaches to water stewardship and reporting
- Balancing operational needs with marine ecosystem protection

Economics, Risk Management & Policy Development

- Cost optimization strategies for water treatment and disposal
- Risk management in offshore discharge and reinjection operations
- Regulatory frameworks shaping produced water management in the UK
- Investment planning for infrastructure upgrades and new technologies
- Managing operational risks in aging oil & gas assets
- Collaboration models between operators, regulators, and solution providers

Submission Guidelines

- Abstract should have clear title of the presentation
- Abstract should be within 500 words with clear objective and conclusion of the presentation
- Photo of the presenter and brief bio in 150 words and logo of the company
- Author details including name, job title, email and contact details

- Presentations for the conference will be short-listed from the abstracts submitted to the conference committee

Submission Deadline
MAY 14, 2026

Submit Your Abstract to:
shikha@producedwatersociety.com
producedwatersociety.com/uk-edition/

SPONSOR & EXHIBITOR PROSPECTUS

- ✓ Logo & Company Profile in Conference App
- ✓ Logo in Conference Program
- ✓ Logo on Website, Email & Marketing Materials
- ✓ Logo on Digital Signage and Screens During Conference
- ✓ Additional Delegates at 50% Rate

EXHIBITOR

EXHIBITOR

USD \$5,150

- TWO (2) Full Two-Day Conference Registrations
- One (1) Tabletop - with pop-up banner allowed
- Additional Delegates at 50% Rate

DISCOUNT: ALL CATEGORIES WILL RECEIVE A **50% DISCOUNT** ON THEIR REGISTRATION FEES

PARTNERS

DISCOUNT: ALL CATEGORIES WILL RECEIVE A **50% DISCOUNT** ON THEIR REGISTRATION FEES

DIAMOND SPONSOR

USD \$49,750

- Twelve (12) Full Two-Day Conference Registrations
- Exclusive Sponsor of the One (1) Networking Cocktail Reception
- Logo on Napkins/Drink Tickets
- Welcome Remarks in Session Before Reception
- One (1) Exhibit Booth in a Premium Location

GOLD SPONSOR

USD \$37,550

- Nine (9) Full Two-Day Conference Registrations
- Welcome Remarks During Lunch Session
- One (1) Exhibit Booth in a Premium Location

SILVER SPONSOR

USD \$26,750

- Five (5) Full Two-Day Conference Registrations
- Welcome Remarks in Session Before Reception
- One (1) Exhibit Booth in a Premium Location

SPONSORS

DISCOUNT: ALL CATEGORIES WILL RECEIVE A **50% DISCOUNT** ON THEIR REGISTRATION FEES

COCKTAIL RECEPTION SPONSOR

USD \$12,550

- Four (4) Full Two-Day Conference Registrations
- Exclusive Sponsor of the One (1) Networking Cocktail Reception
- Logo on Napkins/Drink Tickets

LANYARD SPONSOR

USD \$12,550

- Four (4) Full Two-Day Conference Registrations
- Exclusive Sponsor & Branding on the Conference Note Book

WATER BOTTLE SPONSOR

USD \$12,550

- Four (4) Full Two-Day Conference Registrations
- Exclusive Sponsor & Branding on the Conference Note Book

NOTEBOOK SPONSOR

USD \$12,550

- Four (4) Full Two-Day Conference Registrations
- Exclusive Sponsor & Branding on the Conference Note Book

SPONSORS

DISCOUNT: ALL CATEGORIES WILL RECEIVE A **50% DISCOUNT** ON THEIR REGISTRATION FEES

PHOTO BOOTH SPONSOR

USD \$12,750

- Four (4) Full Two-Day Conference Registrations
- Exclusive Sponsor

EQUIPMENT SHOWCASE

USD \$12,750

- Four (4) Full Two-Day Conference Registrations
- Exclusive Sponsor of the One (1) Networking Cocktail Reception
- Logo on Napkins/Drink Tickets

PEN SPONSOR

USD \$12,550

- Four (4) Full Two-Day Conference Registrations

LUNCH SPONSOR

USD \$7,550

- Three (3) Full Two-Day Conference Registrations
- Exclusive Sponsor of the One (1) Luncheon

SPONSORS

DISCOUNT: ALL CATEGORIES WILL RECEIVE A **50% DISCOUNT** ON THEIR REGISTRATION FEES

ROUNDTABLE SPONSOR

USD \$7,250

- Three(3) Full Two-Day Conference Registrations

SPEAKER GIFT SPONSOR

USD \$7,950

- Three(3) Full Two-Day Conference Registrations
- Co-Branding with PWS on Speaker Gift

BREAKFAST SPONSOR

USD \$6,150

- Two (2) Full Two-Day Conference Registrations
- Exclusive Sponsor of one (1) Breakfast

WIFI SPONSOR

USD \$6,350

- Two (2) Full Two-Day Conference Registrations
- Exclusive Sponsor & Branding of WIFI

SPONSORS

DISCOUNT: ALL CATEGORIES WILL RECEIVE A **50% DISCOUNT** ON THEIR REGISTRATION FEES

MOBILE APP SPONSOR USD \$9,850

- Three (3) Full Two-Day Conference Registrations
- Exclusive Branding on the Home Page of the Conference App

VIDEO SHOWCASE USD \$5,750

- One (1) Full Two-Day Conference Registrations

SESSION/THEMES USD \$8,750

- Three (3) Full Two-Day Conference Registrations

SPONSORS

DISCOUNT: ALL CATEGORIES WILL RECEIVE A **50% DISCOUNT** ON THEIR REGISTRATION FEES

WEBINARS

USD \$5,150

- One(1) Full Two-Day Conference Registrations

SPONSORS

DISCOUNT: ALL CATEGORIES WILL RECEIVE A **50% DISCOUNT** ON THEIR REGISTRATION FEES

COFFEE BREAKS

USD \$6,150

- One(1) Full Two-Day Conference Registrations
- Exclusive Sponsor & Branding of one (1) Networking & Coffee Break

Booking Condition:

Full payment must be made before the event to receive delegate passes and invitations. If payment is not completed in advance, delegates must bring a personal or corporate credit card for onsite registration, which will incur an additional fee of USD 100. Once registered, a confirmation letter and invoice will be sent to the email or P.O. Box address provided at the time of registration for the Produced Water Society United Kingdom Edition. If you are unable to attend, please notify the organizing committee at least 15 days before the event. You may nominate a replacement delegate. Please note that cancellations made within 30 days of the event are non-refundable. However, the organizers may issue a 50% credit note for the unused registration, which can be applied to a future event. While every effort will be made to hold the event as scheduled, the organizers reserve the right to change the content, schedule, or venue due to circumstances beyond their control, including force majeure. Any changes will be communicated to delegates using the contact details provided. The organizers are not responsible for any travel disruptions, delays, or illnesses affecting participants during the event, nor for any indirect losses incurred.

All Packages will be with additional **5% VAT**

REGISTRATION TYPE	EARLY BIRD	REGULAR
